

Donostia-San Sebastian, 12 July 2021

To whom it may concern.

Dear Sir/Madam,

This is to certify that **Jonás Chaves-Montero** with orcid ID number 0000-0002-9553-4261 participated in DIPC's and CFM's School Visits Program during 2021. More than 400 students from 11 schools joined this activity in 2021. Due to the COVID19 pandemic, tailor made videos displaying the most relevant facilities at DIPC and CFM were recorded. Visits were offered in streaming format, allowing the students to directly interact with 5 researchers in each session, and were scheduled as follows:

- | | |
|-------------|---|
| 9:30-9:40 | Presentation (Brief introduction to materials science, nanoscience and research environment) |
| 9:40-10:20 | Video visualization and connection with the following facilities at CFM and DIPC:

Supercomputation Center at DIPC
Synthesis Laboratory at the Polymers & Soft Matter Department at CFM
Dielectric Properties Laboratory at Polymers & Soft Matter Department at CFM
Nanophysics Laboratory at CFM |
| 10:20-10:45 | Round table with questions and answers between the students and the researchers |
