

Subject: FW: CMB-S4 Meeting
From: "Tezak, Samantha L." <stezak@anl.gov>
Date: 1/3/18, 21:59
To: Chaves-Montero, Jonás <jchavesmontero@anl.gov>

Dear Jonas Chaves-Montero,

Thank you for registering for the CMB-S4 Meeting taking place at Argonne National Laboratory March 5-7, 2018.

Your site access has been approved beginning Sunday, March 4, 2018 and ending Thursday, March 8, 2018. If you will be staying with us outside of these dates, please let me know so your site access can be adjusted. If arriving during normal business hours (Mon-Fri 6:30am-5pm), please report to the Visitor's Reception Center off of the North Gate/Cass Ave entrance to obtain your gate pass. If traveling outside of these hours, report to the Guard Post to obtain your pass. In both instances, you will need to present your photo ID (driver's license, passport, ect.) to obtain your pass. You will need to wear your gate pass from the waist up at all times while on site. The pass issued on your initial entrance will be valid for the length of your stay.

The Argonne Guest House is ~1 mile from the Visitor's Reception Center. The Guest House offers a free shuttle services that runs Monday-Friday 8am-5pm. Call them at (630) 739-6000 or stop at the front desk for information. If you will be arriving by limo/taxi, your driver will need to be a US Citizen to guarantee access. We have provided a couple of preferred companies that are familiar with Argonne's site access policies [here](#). If a limo/taxi will be picking you up at the end of your trip, please send me the company name, date and time of pick up, and location of pick up so I can arrange site access for the driver. If you will be traveling with a cell phone, please provide that as well. **Note that if arriving late Sunday, onsite dining is limited to the [401 Grill](#) (closes at 7pm) – consider eating before you arrive.**

As a way to assist visitors in finding carpooling options, we have put together a [Ride Share](#) page.

Our site map can be viewed [here](#). The meeting will take place in the APS conference center in building 402. Other important locations have also been marked on the map. You can view the agenda [here](#). Wi-fi instructions can be viewed [here](#).

Light refreshments will be served in the morning and afternoon. Buffet lunches will be catered each day. The Welcome Reception and Poster Session will take place on Monday, March 5 from 6:00-8:00PM on site in the lower level gallery of building 402. Pizza, beer, wine, and nonalcoholic beverages will be served.

Finally, driving directions to Argonne and public transportation schedules can be found at: <http://www.anl.gov/directions-and-visitor-information>

If you have any questions or need additional information, please let me know.

We are looking forward to seeing you at Argonne! Have a safe trip!

Samantha L Tezak
