To whom it may concern,

I am writing to confirm that Jonas Chaves-Montero visited our Cosmology group at the Institute for Space Science (IEEC/CSIC) in Barcelona, Spain. He gave a seminar on Monday 23rd of January 2017 entitled “Addressing systematic effects in the new generation of galaxy surveys”.

We did not cover any of the charges incurred.

Do not hesitate to contact me for further information.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'M. Crocce', on a light background.

Martín Crocce.
